

COLLECTIVE ACTION FOR EQUITY

2022 SAAM Toolkit

ValorUS (VALOR) leads with prevention of sexual violence. For 2022 Sexual Assault Awareness Month (SAAM), we have released this free toolkit to empower you to lead your own community. With the theme of “Collective Action for Equity,” these resources support you to spread the message of prevention of sexual violence.

VALOR has provided a facilitator guide and accompanying customizable slides for a workshop “It Impacts of Us” that you can provide in your community during SAAM or any other time of the year.
