ACCESSIBILITY

The 2022 VALOR Statewide Conference is an opportunity to demonstrate our commitment to creating a safe place where everyone feels welcome, respected, and valued. We strive to make sure that every voice can be heard, and that conversations can be enriched by participation from attendees whose language of origin is one other than English. The 2022 VALOR Statewide Conference is providing simultaneous interpretation for Spanish-speaking participants based on needs identified during registration. We ask that you support equal access for all participants by making sure that one person speaks at one time, and that all attendees have equal opportunity to ask questions during workshop sessions.

ATTENDANCE/CERTIFICATES

Attendees will receive an email the week after the conference, providing a link to download a participation certificate. Please note: the email will be sent to the address provided during registration, and only those who checked in at the conference registration desk will be sent the email.

FILMING AND PHOTOGRAPHY

Participants may not wish to have their image or likeness used in photos, videos, and/or social media posts. Please be respectful of their desires when taking and/or posting photos or videos.

RESTROOMS

The 2022 VALOR Statewide Conference at the Marriott Anaheim offers All Gender, Female, and Male designated restrooms in the conference areas. The restrooms are also accessible to people of all levels of physical ability. Please use the restroom you feel most comfortable using.

CODE OF CONDUCT

Everyone who attends, works, or volunteers at the 2022 VALOR Statewide Conference is required to abide by the following code of conduct.

We are committed to creating a safe space where everyone feels welcome, respected, and valued. We know that people have different boundaries, different levels of comfort, different senses of humor, etc. We also realize that there are many survivors of sexual abuse, harassment, etc., in every group. In an effort to ensure a safe environment for all participants, please pay special attention to your words and actions, and follow these rules at all event venues and event-related social activities.

Participants are asked to avoid behaviors which threaten the actual or perceived safety of others.

UNACCEPTABLE BEHAVIORS MAY OR MAY NOT INCLUDE:

- Foul or obscene language or gestures, including slurs or jokes;
- Derogatory written or electronic statements, pictures, or drawings, inappropriate use of nudity and/or sexual images in public spaces (including presentation slides);
- Sustained disruption of sessions, talks, or other events;
- Unwanted leering or staring;
- Violating personal space by impeding or blocking another person's movement, or otherwise physically interfering with them;
- Deliberate intimidation, stalking, or following;
- Harassing photography or recording;
- Unwanted or inappropriate touching;
- Unwanted sexual attention;
- Physical and/or sexual assault;
- Advocating for, or encouraging, any of the above behavior;
- Prejudicial actions or comments related to gender, gender identity and expression, sexual orientation, differing physical or mental abilities, physical appearance, socioeconomic status, body size, race, ethnicity, nationality, age, or religion.

IF YOU WITNESS OR EXPERIENCE UNACCEPTABLE BEHAVIOR:

- If you witness potential harm to a conference participant, be proactive in helping to mitigate or avoid that harm.
- Remind peers of these guidelines, and take responsibility for interrupting potentially problematic situations, e.g. asking people if they are ok or need help. This is usually easier (and safer) if you don't act alone, e.g. "Let's say something to them so they stop."
- If you are subjected to unacceptable behavior, notice that someone else is being subjected to unacceptable behavior, or have any other concerns, please notify a conference staff person as soon as possible. You may request that your report remain completely confidential.

CONSEQUENCES OF CODE OF CONDUCT VIOLATION:

Participants asked to stop any harassing behavior are expected to comply immediately. Remember:

- "No" means no
- "Stop" means stop
- "Go away" means go away
- Silence does not mean consent
- If a participant engages in unacceptable behavior, event organizers retain the right to take any actions, including warning the offender or expulsion from the conference with no refund.
